PROFILE

I am a senior studying computer science and business administration. I have academic experience in a range of technology fundamentals and programming languages. I have worked hard to build a track record of academic achievement and engagement at the high school and collegiate level. I have also participated in multiple Hackathons and I have completed multiple programming projects in my free time. In addition to my academic accomplishments, I have experience in a range of jobs which have helped me develop leadership and teamwork skills as well as the ability to adapt to diverse work environments.

EXPERIENCE

Vee24 — Engineering Intern - Boston, MA Summer 2020, 2021

- Member of the Engineering team, working to write and improve software for cloud virtual
- Helped develop java mobile app using Android Studio. App designed to showcase the Vee24 software platform. Managed software revision control using Git/Github.
- Debugged and improved scripts using Python to identify problem patterns in production logs.

Gentle Giant Moving Co — Mover/Driver - Somerville, MA 2019-2021

- Member of moving teams responsible for execution of residential and commercial moving services. Trained, tested and gained Class D license and expanded responsibilities to include driving trucks to and from residences.
- Worked directly with customers during service delivery to assure highest satisfaction level. Followed customer instructions about placement of items and special considerations for handling.

Joe Pizza — Chef/Trainer — Medford, MA 2014-2018

- Chef and 5-year member of staff within a small, high volume family business. Worked successfully in close quarters under high pressure environment, often with newly hired staff-in-training.
- Established highly valued expertise managing pizza ovens while overseeing team members in other food preparation functions. Trained new team members. Longest tenured employee at time of my departure.

Fidelity House — Camp Counselor — Arlington, MA Summer 2017

- Lead Counselor during all-day summer camp program responsible for supervision and safety of school aged children from 5 to 12 years of age.
- Daily challenges varied widely depending on the assigned group, age range, weather and planned activities which incorporated multi location, indoor/outdoor and remote field trips.
